**Product code – AMBIENCE-MIRROR-80X60-WHITE**

- **Single-person assembly**
- **We always recommend using professional tradespeople to install your product**

V1\_02.03.2021

## Installation

1. Position the Mirror in a suitable location.
2. Carefully mark the position of the mirror using a soft pencil ensuring it is level. Remove the mirror and mark the mounting points. Please ensure that all marked mounting points accurately match up with the fixing points on the mirror.
3. Using a suitable drill bit, drill holes in the marked positions to a suitable depth. If drilling through tile, use a ceramic drill bit.
4. Insert wall plugs level with the surface of the wall. If fitting to a tiled surface, wall plugs should be inserted below the tile surface to avoid cracking. NB. For plasterboard walls, specialist fixings should be purchased, available from any DIY or hardware store.
6. Screw supplied fixings into wall plugs.
7. Hang the mirror in position.
