

ASPECT (TRIOTONE®)

The Aspect mirror is designed to be the focal point of any contemporary bathroom, offering a perfect balance of style and innovation.

Equipped with an intuitive touch sensor, a simple touch can adjust the brightness to your desired level, offering dimming functionality for a personalized lighting experience. The touch sensor also enables you to switch between cool, natural or warm lighting tones to suit different moods and needs.

Additionally, the built-in demister pad ensures that the mirror remains crystal clear, even in the steamiest of environments, eliminating fog and condensation.

BENEFITS

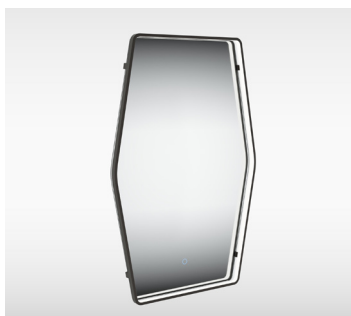

- Designer features at a competitive price point
- LED Technology for long life
- TrioTone LEDs (Cool, Natural, Warm)
- Modern black or brass finish giving a more seamless integration with bathrooms with black accessories

KEY FEATURES

- Touch Sensor allow on/off control and LED Dimming
- Integrated demisted pad
- Floating LED border
- Desirable color choices - Black & Brass
- Diffused LED, no visible dots, for a soft glow
