

KV8 Hinged Wetroom Return Panel

- Please read these instructions in full before installing

IMPORTANT

- Check that the tray has been installed to the manufacturer's instructions.
Please note - All product is supplied without a tray.

GENERAL SAFETY INSTRUCTIONS

- Do not fix the wall profile to newly plastered, painted or papered walls as chemical reaction may cause discolouration to the surface finish.
- Important: The wall plugs included in this pack are for solid walls only. If the product is to be mounted on a partition or stud wall, specialised fixings should be purchased separately.
- Fixing tips; A piece of insulating tape or a couple of layers of masking tape applied to the wall before marking out the fixing holes will help stop the drill from wandering, particularly on tiled surfaces.
- When working near a basin or bath insert the plug into the waste, this will help you avoid losing small parts. Also take care not to drop accessories or tools onto the bath or basin, use a towel or bathmat to protect delicate surfaces.
- **CAUTION!**
Before drilling into any walls check that there are no hidden cables or pipes. Exercise great care when using power tools near water. The use of a residual current device (RCD) or cordless drill is recommended. Always double check the positioning and measurements before drilling holes.
- This product is heavy and requires two people during lifting and operations.
- Glass is delicate, support on cardboard to minimise risk of damage.

Tools required (not supplied)

Electric drill		tape measure	
drill(Ø3.2mm)		rubber hammer

Cleaning and Maintenance:

Please do not use abrasive or strong cleaning solutions on the shower enclosure, such as alcohol, petroleum liquids or any other chemical cleaner.

Should there be any dirty stains on the shower enclosure, please clean it with a soft lint free cloth and warm soapy water. Please rinse it with clean water afterwards.

Sealant drying times may vary in cold damp conditions and will be extended where thicker beads of sealant are applied. Allow sealant to dry completely before exposing to water.

We have taken great care to ensure that this product reaches you in perfect condition. However should any parts be damaged or missing please contact your point of purchase. This does not affect your statutory rights.

In addition if you require replacement parts your point of purchase will be happy to assist.
