PRISM SHWR PK2

PRISM Shower Range Complete Prism Shower Pack 2

Features:

- This versatile shower pack contains a Prism shower valve with integral two outlet diverter. It has a 200mm round fixed head with shower arm; and an adjustable riser shower kit with a single function large handset.
- The shower valve has been designed to fit in any UK wall cavity and therefore only needs a 35mm deep cavity space
- Dual control flow and temperature are controlled separately
- Fully serviceable from the front
- 15mm inlet connections
